

Training for Coaches, Leaders and Volunteers!

High 5 Sport Training

What is High 5?

High 5 is Canada's Quality Standard for Children's Recreation and Sport. It helps organizations enhance program quality to provide the most positive experience.

"The interactions between the leader and children are the foundation to future participation..."

What is High 5 Sport?

This 5 hour training is designed for the competitive coach in an organization. The training is based on research and is designed to help coaches with common coaching dilemmas such as dealing with parents, keeping the child's interest, ensuring fair play and safe environments.
